

All loan rates shown below are quoted as Annual Percentage Rates (abbreviated APR). All consumer loans are calculated on a simple interest basis and carry no pre-payment penalties or pre-paid interest charges. All posted loan rates and terms are subject to change without notice. Pioneer Bank is an Equal Housing lender.

Loan rates are published at the lowest rates available. Your actual loan rate may vary from those published below. Your Annual Percentage Rate is determined by your individual credit rating score that is obtained from a credit reporting agency. Your interest rate, term and payment will be determined when we process your loan application. Rates and terms are subject to change without notice.

Most products require a minimum credit score of 640. Credit score of 700 required for more favorable interest rates and larger loan amounts
